

Gas Appliance Rebate Application Form

As a Priority Service customer, if you find that you need to replace a gas appliance in your home, we will offer you a rebate of up to \$1,250 for a replacement.

To claim this rebate, we will first assist you in engaging a gas plumber to provide a quote for the gas appliance replacement and installation. Should you choose to go ahead with this quote, AGN will pay up to \$1,250 directly to the gas plumber upon completion

of the works. For Priority Service customers who are quoted replacement and installation costs greater than \$1,250, we will work with you on a case-by-case basis.

To claim your rebate, please complete the application form below. If you are currently renting your home, please contact your property manager or landlord to arrange for any gas appliance replacements.
